

Daily Time

I desire daily time with you. Then I can tell you daily that which I desire. A lot has gone by and much more is yet to take place. Tarry daily in my presence. When you say hello from afar, you walk away not equipped.

(Vision of a child going to school. Shouts out greeting to the father who waves and calls the child by name but the child says, “bye” and leaves. The father shakes his head.)

It is time to build your faith in Me. You know nothing is impossible with Me - but now you are to speak what I say – that which is done is done. Speak forth and declare it for it is done. All you need for your mission on earth is provided.

Through your precepts I get understanding: therefore I hate every false way (.PS.119:104)

The unfolding of your words gives light; it gives understanding to the simple.
