Find Your Joy

Find your joy. Do you remember where you had it last? Stop and remember the last time you felt the peace, the joy, and the excitement for the future. Is not today even a better day than that? Are we not closer now than we were even then? For you should consider it all joy, for it will bring you closer to Me, the true joy, the true peace, and the true prosperity of your soul. For these are **the days that I have made**. Rejoice and be glad in them. For I hold the future and you hold the keys. Rejoice! Again I say rejoice. For My light is like the dawning of a new day that brings hope and expectation. Let the world see your joy so that they will know that your Father in heaven, the Creator of all things, is still on the throne.

1 Chronicles 16:30-31

Tremble before him, all the earth! The world is firmly established; it cannot be moved. Let the heavens rejoice, let the earth be glad; let them say among the nations, "The LORD reigns!"
