

RECEIVE MORE DEEPLY AS WE WALK

August 2011

The Holy Spirit is drawing outward the life of your destiny – allow Him to do His work, listen in the spirit more quietly.

Be alert to the direction of His leading – take authority over your rudder (tongue) and FOCUS (spirit and mind) for longer periods of time to receive in this deeper, sweeter, intimate place in God our Father. Outward talking PREVENTS one from hearing in the spirit, right now. (I feel there will come a time when we'll be able to do multi-tasking in the spirit so to speak.)

If you choose to do this, you will receive like never before. You will walk in the way of this greater anointing. To receive in this manner, comes a multitude of imparts of blessings and wisdom and much understanding. Follow, follow, follow the Holy Spirit's

leading
anointing
His ordaining
His Spark of God's Life

in this crossed-over place.

The spiritual “line” of change, promotion, this newer, wider place has already been crossed by some and the heavenly adventure may now begin in your obedience. Receiving, “chewing upon revelation” - tasting to see that it is God's Good – your foundation is in place. You are ready to go forth in the faith I am is giving.

Hear the Spirit of God, seek in this to receive more deeply the living Word of your God.

For His Glory. For the Bride's walk to the Wedding Supper of the Lamb's.
