

The Futures Market

Did I not say there would earthquakes in the last days? Will I not shake everything that stands on the earth? All of man's institutions. All of man's businesses. All of man's governments. For though the true assets of man still stand, many institutions collapse because they are not built on the rock on My truth, on the rock of My will, on the rock of a relationship with Me. For so many of man's institutions are built on the confidence, faith, and hope in the their future. Yet this confidence, hope, and faith is not in Me.

Have I lost hope? Have I lost faith? Am I worried or fearful? I tell you that I am full of hope and faith and peace. For the future I hold for My chosen and faithful is as joyful as a bride preparing to marry the love of her life. Therefore, invest your treasures with Me. For I am not shaken. And that which is built on Me will stand. So as the futures in the world decline, buy My future, and you will receive a great return on your investment.
